Making A Difference In A Town That Is Different!

A Gift from the Heart

Those delicious homemade sweets that are served at FJB's monthly cleanup breakfasts are now shared with you in a new cookbook!

A Taste of FJB is a compilation of favorite recipes that volunteer & FJB board president Joan Ross enjoys baking and serving at "the best breakfast on the beach!" There have been numerous requests for these recipes during the five years that she has been baking for beach cleanups, so Joan decided to offer them in a cookbook that will benefit FJB. The production materials and

labor were donated (thank you Joan, Eric and Fran Trosty!), the cover photo of a sunrise at Jupiter Beach was provided (thank you Frosty Parish!) so all cookbook donations will help FJB buy dog bags, print and mail the newsletter, repair and maintain boxes, and keep up daily operations in our mission to keep Jupiter Beach clean and dog-friendly.

Volunteers Honored with Private Event

It was a great day of celebrating "Friendship" and "thanks from your community" when FJB volunteers gathered April 13 for a private event at the brand new Loggerhead

Marinelife Center (LMC). We were treated to *fabulous food* catered by our own Denise and Rick Mariani, *lovely desserts* by Joan Ross, and *great tunes* by DJ Jef Otten. A true highlight of the afternoon was the awarding of wonderful door prizes, all donations from a community grateful for the work of FJB volunteers. Jack Melleby took on the task of soliciting door prizes and was gratified by the outpouring of support! Jack also served as chief photographer and emcee! Special, special thanks go to Pat Melleby for chairing the entire event for FJB! Marvelous LMC volunteers offered their time to provide tours and insights into the daily activities centered around the endangered sea turtles in rehab there, as well as the

fantastic exhibits and gift shop all housed in this remarkable facility. (Several noticed FJB's place on the donor wall, funded by a private gift, so we will always be known as a Friend and supporter of the LMC!) It was a great day for Friends of Jupiter Beach and the volunteers who clean the beach, refill the dog bag boxes, help with computers & graphics, and donate time, talent and expertise in so many ways!

*Anita Lankler
Founder of FJB
"She Made A Difference"*

During the month of July, we'll celebrate our beloved founder, Anita Lankler, in this, her birthday month. Her passion, insight, and tireless devotion to Friends of Jupiter Beach and dog-loving beach goers will always inspire volunteers and supporters to keep her dream alive. ♥

WHY A FUNDRAISER?

By Carol Van Noy, volunteer

*That was **my** question.....when I was told that the FJB cookbook could be a good fundraiser. After all, the people who give the energy to this 501(C) 3 organization are all VOLUNTEERS.*

Yes, I know that five times a year, FJB has to pay the costs to print and mail this newsletter and there are other expenses. But, those costs are probably covered by the advertising in the newsletter and by the signs at the beach.

*The number that **shocked me is \$8,000 to purchase dog bags for one year.***

That is right, FJB must pay about \$8,000 to purchase a 12 month supply of dog bags and that quote was before the current rise in cost for oil and oil-based products!

So, please, give a \$10 donation and get a cookbook; or just make an outright donation to FJB, for whatever amount you can afford. You will get a tax deduction and you will have the satisfaction of supporting a great cause—a clean, dog-friendly Jupiter Beach.
